W I T N E S S E T H :

WHEREAS, there has been duly established in said Town of Albion, a fire protection district embracing all the territory within the geographic boundaries of said Town outside the incorporated limits of the Village of Albion; and

WHEREAS, following a public hearing duly called and held before the execution of this Agreement, the Town Board, of Town, duly authorized a contract with the Village for fire fighting and other emergencies to said district on the terms and provisions herein set forth; and

WHEREAS, this contract has also been duly authorized by the Board of Trustees of the Village;

WHEREAS, the term of this contract will be from January 1, 2016 to December 31, 2020.

NOW, THEREFORE, the Town does engage the Village to furnish fire fighting and other emergency services conducted by the Fire Department of Village to said district, and the Village agrees to furnish said protection in the manner following to wit:

1. The Fire Department of the Village shall at all times, during the period of this Agreement, be subject to call for attendance upon any fire or other emergency without unreasonable delay under the circumstances, with suitable apparatus and sufficient volunteer personnel of Village. Upon arriving, such personnel shall proceed diligently, and in every reasonable way, to control the fire, or other emergency and the saving of life and property in connection therewith. Nothing herein shall prohibit Village from utilizing "Mutual Aid."

2. The parties recognize that the Town has already paid the Village \$ 0 MP as of 12/28/15 for the provision of fire fighting and other emergency services during 2016, and that this payment represents full satisfaction of any amounts owed the Village in relation to 2016~~7~~.

In consideration of such rendering of volunteer fire control or other emergency services and the providing of such equipment by Village, Town hereby agrees to pay to Village One Hundred Thousand and 00/100 (\$100,000.00) Dollars by installment in the following manner:

Calendar Year	Annual Contracted Consideration	Payment Schedule
2016	\$25,000.00	Due 1/01/2016
	\$25,000.00	4/01/2016
	\$25,000.00	7/01/2016
	\$25,000.00	10/01/2016

The aforementioned sum will be paid in four (4) equal quarterly installments of Twenty Five Thousand (\$25,000.00) Dollars on January 1, 2016, April 1, 2016, July 1, 2016, and October 1, 2016.

The Town shall forward the installments when due without the need of the Village formally billing the Town for the payment.

3. For 2017, 2018, 2019, and 2020 the contract amount will be annually adjusted by applying to the previous year's payment amount the Consumer Price Index (CPI) for the most recent 12-month period preceding January 1st of for the years, 2017, 2018, 2019, and 2020.

5. Town further specifically agrees and consents that Workmen's Compensation Volunteer Firemen's Benefit or similar claims which may be submitted for injuries sustained during the performance of the services contracted for, as well as mutual aid services or emergency or ambulance

services which may be rendered, although not required under this Agreement, within such district, shall also be deemed claims against Town and any claims allowed therefore shall be charged against Town only and not Village.

In the event the Orleans County Self Insurance Plan or other insuring agency is unwilling or unable to charge such claims directly to Town, Village may, based on such information as may be provided by Orleans County Self Insurance Plan or other source, bill Town for the cost finally charged against Village because of such claim. Town shall pay such claims within 60 days from the date upon which it is notified by Village by regular mail to Town. Disputes relative to the amount of such claims shall be resolved by the majority vote of a committee composed of the Supervisor of the Town, the Mayor of the Village, and a representative of the Orleans County Self Insurance Plan or other insuring agency covering the Village's Volunteer Fireman's Benefit (Workmen's Compensation) coverage.

Failure of Town to pay such claims in a timely manner shall constitute a breach of this agreement by Town.

6. Members of the Fire Department of the Village, while engaged in the performance of their duties in answering, attending upon or returning from any call provided for by this contract, shall have the same right, privileges, and immunities as if performing the same in the Village of Albion, County of Orleans, State of New York.

7. It is further covenanted and agreed that all provisions and terms of Section 205 of the General Municipal Law as the same now exists, or as the same may hereafter be amended, during the term of the contract and any other applicable statutes apply to and shall be considered as part of this contract and any other applicable statutes apply to and shall be considered as part of this contract the same as though herein set forth in full.

9. In the event that this Agreement is terminated before the end of any full year, the amount due and owing to the Village, shall be prorated according to the period of time such contracted services have been afforded.

10. Representatives from the Town of Albion and the Village of Albion will meet no later than June 1st of each year to review any changes to the contract including the yearly contract consideration.

11. Parties acknowledge that the Albion Fire Department is a Volunteer Fire Department and employs no paid personnel and that Village makes reasonable efforts to maintain a sufficient number of qualified volunteers to perform the services provided for herein. However, it is recognized that, as in other volunteer services, the number of active qualified volunteers has decreased. Village shall not be liable for any failure to perform the services or

provide equipment provided for herein due to lack of personnel; equipment shall not be dispatched without adequate, qualified crew.

12. This Agreement is subject to the approval of the Directors of the Albion Fire Department of the Village of Albion and shall not become effective until approved by them.

13. The Village agrees it will pay to the Albion Fire Department 10% or an amount not to exceed \$10,000.00 of all monies received by the Village under this Agreement. On approving this contract, the Department agrees that such monies shall be expended by it for Department purposes only.

14. Town shall locate and identify toxic, flammable, explosive, and other dangerous materials and provide Village with such information on a regular basis not less than semiannually with updates of any changes as the same take place. Upon request of Village, Town shall arrange for inspection by Village of any such storage area.

In the event Town has failed to provide Village the above information under previous contract, Town shall provide the required information by June 30th of each year and shall timely provide such further reports as are required hereinabove. In the event of Town's failure to provide such information in a timely manner, Village may consider the same a breach of this Agreement and/or refuse to answer calls or take any other action pursuant to this Agreement.

As the five (5) year term of this Agreement expires December 31, 2020, if either party does not intend to enter into a succeeding Agreement to being January 1, 2021, that party shall, no later than June 30, 2020, advise the other of such decision.
