AGREEMENT FOR CONTROL OF ICE AND SNOW AND FOR MOWING ON COUNTY ROADS

THIS AGREEMENT dated as of the 1st day of October, 2011, by and between the COUNTY OF ORLEANS, acting through the Superintendent of Highways of said County (hereinafter the "County"), and the TOWN OF ALBION, acting through the Superintendent of Highways of said Town (hereinafter the "Town")(collectively the "Parties") as follows:

WHEREAS, section 135-a of the Highway Law provides that the County Superintendent of Highways may contract with the Town for the control of ice and snow on County Highways subject to the approval of each of the Legislative bodies of said County and Town; and

WHEREAS, the Town is willing to perform the work of such control of ice and snow upon such terms, rules and regulations as are contained herein and deemed by the County Superintendent of Highways to be for the best interests of the people of the County of Orleans; and

WHEREAS, Section 135 of the Highway Law provides for the cutting of noxious weeds within the bounds of the County Roads; and

WHEREAS, the Town is willing to perform the work of cutting weeds upon such terms, rules and regulations as are contained herein and deemed by the County Superintendent of Highways to be for the best interests of the people of Orleans County.

NOW, THEREFORE, in consideration of the mutual covenants and agreements between the parties hereto, it is agreed as follows:

1) The terms of the agreement shall be for five (5) years commencing as of October 1, 2011, terminating September 30, 2016, except the parties may request to renegotiate the prices and rates contained in paragraphs 4) and 7) hereof upon either party notifying the other in writing, of such party's wish to renegotiate, such notices to be delivered prior to August 1st of any year commencing with the first right to renegotiate being by notice given prior to August 1st 2012. Additionally, in the event that the County rescinds the current resolution in effect for disposition of County sales tax revenues whereby towns receive a percentage of the net collections from sales tax, the parties agree to open negotiations within thirty (30) days of the adoption of the rescinding resolution for the purpose of renegotiating the prices and rates contained in paragraphs 4) and 7).

CONTROL OF ICE AND SNOW

2) The Town shall provide all the labor, materials and equipment necessary for the control of ice and snow on such County Highways as designated by the County Superintendent to the extent that the County Superintendent deems necessary to provide reasonable passage and movement of vehicles over said highways, and shall include clearing of the pavement and pushing of snow as near the ditch lines as practicable to provide room for future storms and ensure that it melts down to the ditches, together with sanding of hills, curves and intersections and such other places as may cause dangerous driving conditions.

3) The County Superintendent shall furnish the Town with a suitable map of such municipality which shall delineate the County Highways within the boundaries of the Town and shall show distinctively the County Highways or parts thereof that are affected by this Agreement, for each year of the term to show the changes, if any, to the County Highways affected by this Agreement. Any such modification to such map shall be agreed upon in writing by the County Superintendent and the Town.

The per season sanding and plowing rate will be adjusted upwards at the beginning of each additional season beginning with the 2012-2013 season. This adjustment will be based upon the Consumer Price Index for all urban consumers (all items)(hereinafter "CPI-U") as published by the U.S. Department of Labor, Bureau of Labor Statistics, for the Buffalo Metropolitan area. The adjustment will be equal to the net percentage of change over the then most recent twelve (12) month period for which the index figures are available as of July 1 preceding the season. 8) The Town shall so conduct the work that persons and property are protected at all times. The Town shall protect, indemnify, and hold harmless including payment to officers, agents, employees, and the owners of land upon which any operations under this agreement take place, from the liability, cost, loss or damage on account of any injury to person, property or both, arising from the Town's performance under this contract. The Town shall defend at his own expense all suits, which may be brought to recover damages arising from the Town's performance under this agreement including suits or actions against the persons named above.

Re: Town and Village of Albion Public Works Study- Phase II

Dear Madame Supervisor,

I would be happy to assist the Town as you move from the study phase to the negotiation phase.

I assume that negotiations would focus around the terms and conditions of an intermunicipal agreement, under which the Village would provide public works (including water and sewer) services to the Town. I would propose to draft such an agreement, and then to repeatedly revise it as follows:

- A. prepare rough draft
- B. meet with Village and Town representative
- C. list and analyze issues for further discussion
 - .1 equipment replacement programs for both
 - .2 capital projects by Village for Town
 - .3 Village indirect cost rate
 - .4 Salary range for Village Supt.
 - .5 Lump sum fee range
 - .6 Major Highway Maintenance program scope
 - .7 service standards
 - .8 transfer of FT people (including meeting Civil Service)
- D. meet with Village and Town representative
- E. prepare 2nd draft
- F. review 2nd draft with Attorney
- G. revise 2nd draft to reflect comments
- H. review 3rd draft with representatives of the 2 Boards
- I. Prepare final draft in light of comments

55 Anglers Cove, Hilton, NY 14468

I would be prepared to complete this scope of work for a fixed fee of \$2,665 (for the preparation, analysis and revision work) , an hourly rate of \$65 (for the meetings and reviews in items B,C8,D,F and H)) and \$.55/mile for travel.

I am prepared to begin work immediately, and to proceed diligently thereafter. Please be aware, however, that I will be out of town for 2 weeks in late August.

Thank you for your consideration.

Sincerely,
