Good morning Judge Fuller,

I have attached an agreement for the Town Board to review and sign. The agreement is for 2016. We would come back with another agreement that would be available for the board to review before the end of the year. Our agreements are set up so that either party can opt out with a 30 day notice. If the board has concerns about entering into an agreement, this agreement is not exclusive, we are not obtaining the right to be your sole provider for security services. Please feel free to call me with any questions or concerns. I would be happy to attend the Town Board meeting if you think that the board might have questions. Just let me know if I can do anything. Thank you, Jack

RE: Bullard Park

Dear Commissioner Harvey:

Please accept this letter as an indication of our support for the Village of Albion's Bullard Park Development Project. This Park is a vital recreational resource to the greater Albion community, and, through the proposed renovations, it will offer improved facilities and additional recreational opportunities for the whole county, as Albion is the Orleans County seat.

Bullard Park is located on East Avenue in the Village of Albion. It currently contains picnic shelters, baseball/softball fields, a football field, two children's playgrounds, a basketball court, a small skateboarding area, and restroom facilities. However, many of the Park's amenities have experienced deterioration throughout the years and are in great need of improvements.

Through this project, the Village will install a new splash park, a running/walking trail (including signage) around the park perimeter and a performance stage. Additionally, there will be lighting improvements and parking lot improvements. These improvements will make up Phase One of a three part improvement project that will eventually include the installation of an enclosed lodging facility, new basketball courts, an amphitheater area, and other recreational features.

Bullard Park receives an abundance of use from the community, serving hundreds each day throughout the summer through the Village's summer park program, youth football leagues, adult and youth baseball and softball leagues, local festivals and a number of other community events and programs. Located kitty-corner from Albion Central Schools and very close to a number of Albion's major employers, Bullard Park is the primary location for recreational activities in the Village of Albion. As the primary outdoor location for recreation, picnicking, and socializing, it plays an important role in this small, rural community. Improvements to Bullard Park will not only have a positive impact on the numerous activities already taking place, but will continue to draw residents and help create a sense of public pride and community.

Thank you for your favorable consideration of this important request.

Very truly yours,

Supervisor
